

Dear Guest:

The Boston Harbor Hotel welcomes you and your pet. For your convenience and that of our other guests, please be mindful of the following services we provide for your pet:

1. We charge a \$100 fee per night per pet, which will be added to your guest room folio prior to check out.
2. If you do not have a pet bed for your dog or cat, please let us know. We will be happy to provide a pet bed and some welcome gifts for them, as we do not allow pets to occupy guest beds in our hotel rooms.
3. We are happy to provide pet walking services through our Concierge. A service fee of \$10.00 per walk will be added to your room bill. This fee is in lieu of a gratuity, and will be paid to the staff member who cares for your pet.
4. If you need to visit a pet shop, obtain a pet sitting or kennel service, or require the services of a veterinarian, please contact the Concierge, who will be happy to assist you in arranging any of these services.

We are happy to have your pet join us, however, due to health regulations; your pet cannot join you in the Rowes Wharf Sea Grille, the Rowes Wharf Bar or the Fitness Center. Your pet must be on a leash or in a carrier at all times while in the public areas of the Hotel.

Should there be any damage to your room, or noise complaints as the result of actions of your pet, we also reserve the right to bill you for the cost of restoration/compensation to another guest of the room. Please be aware that you, the pet’s owner, must be present any time that the pet is left alone in the room and when our Housekeeping Staff comes to clean your room. Should you need to leave your pet alone in the room, you will need to hire a pet sitting service. Please refer to the following page for their pricing and please contact the Concierge Desk to setup this service.

Pets are NOT allowed to be left in a guest room by themselves at any time during your stay.

Violation of this policy will result in a penalty of \$100.00 and/or the need to have the dog boarded.

Please note there is also a (2) pet maximum per guest room. The weight limit is (1) 80lbs. dog or (2) 40lbs. dogs.

Failure to adhere to the hotel guidelines listed above will result in the dog not being welcomed back on future stays.

We hope that both you and your pet enjoy your stay with us here in Boston!

Sincerely,
Front Office Management

I have read, understand and agree to the Boston Harbor Hotel’s policy on pets.
